## 5 Opening and Accessing an Account with us

- 5.1 To open or join an **Account** with us, you will normally need to make an application through our **Website** using our **Online Services**. To use our **Online Services** you must have an email address in your own name and mobile phone number which you do not share with anyone else. For details on paying money into the **Account** please see Condition 8 (Paying in by **Electronic Transfer**).
- 5.2 All funds which you pay into the **Account** must belong to you. They must not come from or be connected to any illegal activity.
- 5.3 You must not use the **Account** for business purposes. Our accounts aren't available for clubs or charities and cannot be held in trust for anyone else, unless stated in the **Specific Conditions**.
- 5.4 You must:
- be an individual;
  - complete the online application, and
  - reside in the UK (which does not include the Channel Islands and the Isle of Man) or have an address with the British Forces Post Office for serving British forces personnel.
- If, at any time, you don't meet these requirements, we may allow you to keep your **Account** but refuse to let you apply for any more UK based accounts with us. Alternatively, we may close your **Account** under Condition 19.4 (Cancelling or closing your **Account**). The exception to this, is if you have a maturing fixed term savings account, you can move your maturing funds to another **Account** offered by us but cannot add funds to this **Account**. You will not be able to add another account holder or add further funds to any **Account(s)** held with us once you cease to be resident in the UK (except BFPO addresses).
- 5.5 If a minimum or maximum age requirement applies to your **Account**, we'll tell you in the **Account** opening process and the **Specific Conditions**.
- 5.6 We're required by law to check your identity and verify your address. We'll also verify your Nominated Account. We may do this electronically (using an appropriate external agency) or we may ask you for documentary evidence. You can find more details about this on our Website.
- 5.7 Whilst your **Account** is open, we may also ask you and/or any attorney or receiver, to verify your and/or their identity and provide extra information i.e. additional personal information and/or supportive documentation to prevent money laundering, financial crime and to meet other legal and regulatory requirements. If we make a request and you/your attorney don't provide the information we may delay or refuse to make your payment and prevent you/your attorney from using your **Account**.
- 5.8 It is up to us whether to accept or reject an application, though we will always act in line with law and regulation. For example, we may reject an application because we have been unable to confirm your name and address. You should not send us any money until we have told you that we have received satisfactory evidence of your identity and your Account is open. Any money we receive before then is not protected by the Financial Services Compensation Scheme. If we reject an application and you have sent money to us, we'll return that money to the account it came from without interest unless that money came from more than one person in which case the money will be returned to the applicant who first applied for the Account.
- 5.9 The currency of the Account will be pounds sterling. You can only make payments to and from the **Account** in pounds sterling.
- 5.10 We provide the Online Services to allow you to access Account information and operate your Account.
- 5.11 We may need to carry out maintenance or make changes to the Online Services which may limit the availability of the Online Services. Where possible, we will notify you in advance of any maintenance and changes which may limit the availability of the Online Services through our Website. Where our Online Services are unavailable, we will where possible service your request by telephone subject to our operating hours.
- 5.12 Use of our Online Services is for customers who reside and access their Account in the UK so you may not be able to access your Account online when attempting to use the Online Services outside of the UK.

## 6 Joint Accounts

- 6.1 Some of our accounts can't be operated in joint names and have restrictions on the number of **Account** holders. If this is the case, we'll tell you in the **Key Features & Summary Box Document**.
- 6.2 If you have an **Account** in joint names, you both agree that:
- you're both responsible (individually and together) for all obligations in relation to the **Account** and under the terms of the **Agreement**;
  - each of you must have a **Nominated Account**;
  - payments from the joint **Account** can only be paid to the **Nominated Account** of the **Account** holder who has made the **Payment Instruction** or to another **Account** they hold with us;
  - each of you can use the **Account** on your own, without the other's approval (this includes being able to withdraw all the money in the **Account** and give instructions to close the **Account**), and
  - each **Account** holder owns an equal share of the funds in the **Account**.
- 6.3 If one of you tells us about a dispute or that a relationship has broken down and that you only want the **Account** to be operated on the authority of both of you, you won't be able to operate the **Account** on your own. Instead:

- any instructions will then need the agreement of both of you;
- we can then suspend some services on your **Account** (including our **Online Services** and your ability to make **Payment Instructions**), and
- you are still responsible to us individually and together.

6.4 You can remove yourself as an **Account** holder from a joint **Account** at any time. If you are requesting the removal of another **Account** holder we will need both **Account** holder's consent. The **Account** holder who has been removed from the **Account** will be unable to log in to our **Online Services** and view those **Account** details and its statements.

6.5 If an **Account** holder is added to an existing **Account**, each of you agree that from the date the **Account** was opened, the additional **Account** holder may be able to view the existing and any previous **Account** holder's transaction history and payment information.

6.6 If a relationship breaks down, we may close the **Account**.

## 7 Nominated Accounts

- 7.1 You can have one **Nominated Account** (or more if we tell you in the **Key Features & Summary Box Document**) which will apply to all **Account(s)** held by **You** with us. Unless you are making an **Internal Transfer** you must use the **Nominated Account** for all payments into and out of your **Account(s)** held with us. Any interest you receive will also be paid into a **Nominated Account** if you have chosen this option. If you hold a joint **Account** with us and have chosen to have interest paid to a **Nominated Account**, it will be paid to the **Nominated Account** of the **Account** holder who first applied for the **Account**.
- 7.2 You will need to give us the account number and sort code of your **Nominated Account**.
- 7.3 You are responsible for making sure that your **Nominated Account** can receive **Electronic Transfers**. When we're paying money or interest payments out of your **Account** we'll send the money by **Electronic Transfer**.
- 7.4 If you want to change your **Nominated Account** then you can do this by logging in to our **Online Services**. We'll send you an email or **SMS** to your registered email address and mobile phone number telling you when the new **Nominated Account** is ready for use.

## 8 Paying in by Electronic Transfer

- 8.1 You can only pay money into your **Account** by **Electronic Transfer** from your **Nominated Account** or another account you have with us. Your **Specific Conditions** will tell you whether there are any restrictions on transferring money into your **Account**.
- 8.2 When paying money in by **Electronic Transfer** from your **Nominated Account** you must provide your bank with our sort code 60-84-56, together with the account number of your **Account**. If the correct information is not provided by your bank when they send money to us and we can't allocate the money to your **Account**, we'll return the money to that bank without interest. If this happens, we won't be responsible for any money you lose (e.g. loss of interest). This applies even if your bank gives us other information such as your name.
- 8.3 The balance shown on your **Account** may include payments into your **Account** which we're still processing and aren't yet available to you.
- 8.4 If any money we receive is sent from an account other than your **Nominated Account** or another account you have with us, we'll return that money to the account it came from without interest.
- 8.5 We will usually credit money to your **Account** on the day that we receive it and money paid in by **Electronic Transfer** will be available for you to pay out of your **Account** on that same day.
- 8.6 There may be a maximum or minimum limit to the amount of money that can be held in an **Account** – we'll tell you about any limits in the **Key Features & Summary Box Document**.

## 9 Taking money out of your Account

- 9.1 You can only make payments out of your **Account** by **Electronic Transfer** into your **Nominated Account** or, if available, to another account you have with us. The **Key Features & Summary Box Document** will tell you whether you can make payments out of your **Account** into another account you have with us and may include restrictions on making payments from your **Account** e.g. on the number of payments.
- 9.2 We may apply financial and other limits to **Electronic Transfers** from your **Account**. For example, we may set limits for **Faster Payments**. We'll tell you what these limits are on our **Website** and may change them from time to time. We also apply internal limits to some kinds of payment for security reasons and we will not always tell you what these are.

### How to give us Payment Instructions

- 9.3 If you want to make a payment out of your **Account**, you can give us your **Payment Instruction** by logging in to our **Online Services** and providing your **Personal Security Details** and following the procedures we may require at the time you request the payment. If our **Online Services** are unavailable, please call us within our operating hours to give us your **Payment Instruction**. Our operating hours can be found on our **Website**.
- 9.4 We'll treat receiving a **Payment Instruction** from you at the time we actually receive it.

### Cancellation

- 9.5 You won't be able to cancel a **Payment Instruction** once it has been received by us.

**Refusal to act on Payment Instructions**

9.6 We can refuse to act on any **Payment Instruction** you give us, if:

- you don't have enough available money in your **Account**;
- we think it may cause us to be in breach of any law;
- we think it relates to fraud or another type of criminal act;
- you're in breach of your **Agreement**, or
- it exceeds any transactional limits we've told you about or tell you about on our **Website**.

If we refuse to act on a **Payment Instruction**, we'll tell you:

- that we've done so;
- the reason why we refused, and
- how you can fix the situation, if you think we made a mistake.

We'll give you this information at the earliest opportunity and always by the end of the **Working Day** after the day we receive your **Payment Instruction**. For example, if we receive your **Payment Instruction** on Monday, we'll give you this information by the end of Tuesday. We'll give you this information either using our **Online Services**, by calling you or sending you an email or **SMS**.

We won't be able to tell you that we're refusing to act on a **Payment Instruction** if the law prevents us from doing so.

Where we are reasonably justified in refusing a **Payment Instruction**, we may charge you the cost of notifying you about our refusal.

**Timing for payments out of your Account**

9.7 If a payment is made by **Internal Transfer** to another account with us, the payment will reach that account on the same day.

9.8 If you ask to make a payment by **Electronic Transfer** from your **Account** to your **Nominated Account**, the payment will reach the bank where your **Nominated Account** is held by the end of the next **Working Day**. Sometimes we will be able to make payments more quickly than this. For further details on how quickly payments will usually reach the bank where your **Nominated Account** is held, visit our **Website**.

**PLEASE NOTE** - unless our **Online Services** self-serve facility is unavailable or you are managing an **Account** on behalf of someone else, we do not accept **Payment Instructions** by telephone.

9.9 We may delay sending a **Payment Instruction** where we believe that someone other than you has acted fraudulently or dishonestly in relation to the payment. If that happens, we will always tell you about the delay and the reasons and any information we need from you by the end of the next **Working Day**. We won't tell you if it would be unlawful to do so. Your payment may take longer but will always reach your **Nominated Account** by the end of the fourth **Working Day** following when we treat your **Payment Instruction** as received.

**10 Incorrect payments****Telling us about suspected incorrect payments**

10.1 If you believe a payment on your **Account** was made incorrectly, you must tell us as soon as possible by:

- logging in to our **Online Services** and sending us a secure message, or
- calling us.

**Your rights in relation to incorrect payments**

10.2 We're responsible for making payments on your **Account** correctly. If a payment was made incorrectly and the payment was to or from another account with us then we will correct those accounts so that it is as if the payment was made correctly, or if the payment was to or from your **Nominated Account** we will take the following actions.

Type of mistake we made	What we will do
We sent money to an account other than your <b>Nominated Account</b>	We'll refund the money.
We sent less money to your <b>Nominated Account</b> than you asked us to.	We'll send the missing money to your <b>Nominated Account</b> .
We sent more money to your <b>Nominated Account</b> than you asked us to.	We'll refund the additional money we've sent (anything above the amount you asked us to send).

We sent the payment to your <b>Nominated Account</b> later than we should have done.	If you ask us to, we'll contact the bank where your <b>Nominated Account</b> is held and ask them to correct the amount of interest and charges on your <b>Nominated Account</b> (so that it is as if the payment was received on time).
We don't add money to your <b>Account</b> that you've paid to us when we should have done	We will put the money in your <b>Account</b> and immediately make the money available to you.
We add money to your <b>Account</b> that shouldn't have been paid to you	Where possible, we'll immediately send the money back to the bank acting for the person from whose account the payment was made.

10.3. We'll also refund your **Account** with any fees and interest you've been charged or you may have lost in connection with the incorrect or late payment.

10.4. If you ask us to, we'll make immediate efforts to trace the incorrect payment free of charge and tell you what we find out.

BUT - we won't do any of these things and are not responsible for an incorrect payment on your **Account** where:

- you tell us about the incorrect payment more than 13 months after it happened,
- the incorrect payment happened because you gave us the wrong or insufficient **Payment Details**, or
- we can demonstrate to you (and if applicable, the bank of the person being paid) that the other bank received the payment correctly.

But in these situations, we'll still use reasonable efforts to recover any money paid out of your **Account** or not paid into your **Account**. If you've given us the wrong or insufficient **Payment Details**, we may charge you our reasonable costs for trying to recover the money for you. If you ask us in writing we will help you to recover the funds by providing you with all relevant information to claim repayment of the funds, including the name and address of the person to which the funds were sent so you can bring a legal claim against them.

## 11 Interest and fees

- 11.1 We'll tell you about the initial interest rate(s) on your **Account** in the **Key Features & Summary Box Document**. For information on the current interest rate on your **Account**, please visit our **Website** or log in to our **Online Services**.
- 11.2 We calculate the interest we pay you on the money in your **Account** on a daily basis. The **Key Features & Summary Box Document** explains when and how often we may pay you interest.
- 11.3 Interest is calculated daily based on your **Account** balance at the end of each day and typically paid out according to the terms of your **Specific Conditions** (e.g. monthly or annually). This means that in a leap year, if you hold an account on February 29th, you will earn an additional day's interest.
- 11.4 You'll earn interest on the amount paid in your **Account** from the day we receive it until the day before the payment leaves your **Account**. For example, if you withdraw funds on a Tuesday, you won't earn interest on those funds on that Tuesday.

## 12 Overdrafts

No overdraft service is available on any of your **Accounts** held with us.

## 13 Security and some of your key responsibilities

- 13.1 You will need **Personal Security Details** so you can access your **Account** using our **Online Services**. We treat the use of **your Personal Security Details** as your consent to any instructions you give using our **Online Services** or telephone. We'll tell you about any rules or restrictions that apply when choosing **Personal Security Details** which you must follow (for example, the length of a password).
- 13.2 If you have a joint **Account**, both of you will be given your own **Personal Security Details** and can operate available services on your own.
- 13.3 We will never contact you to:
- ask you to authorise the transfer of money to a new account;
  - ask for your **Personal Security Details** in full on the telephone or via email, including keying your **Personal Security Details** into the telephone keypad;
  - make arrangements to send someone to your home to collect cash, bank cards or anything else;
  - ask you to send personal or banking information via text;
  - ask you to carry out a test transaction online unless this is in agreement with you and is processed only by you through the **Online Services**;
  - ask you to authorise the transfer of money to a new account that is not held with us or in your name.

13.4 We can suspend your **Personal Security Details** in the following situations:

- if we believe that this is necessary for security reasons. For example, if there have been too many unsuccessful attempts to access your **Account** using incorrect **Personal Security Details**; or
- if we have concerns about unauthorised or fraudulent use of your **Account**, or any related services which you can access using our **Online Services** or telephone.

13.5 If we withdraw your **Personal Security Details** we'll tell you and our reasons why, beforehand if possible. If we're unable to tell you beforehand, we'll tell you immediately afterwards, and you can reset your **Personal Security Details** by logging in to our **Online Services**.

13.6 We don't have to tell you we're suspending your **Personal Security Details** if this would compromise our security or break a law.

13.7 It is vital that you take care of your **Personal Security Details** and personal information to help prevent fraud and protect your **Account**.

You must also follow these instructions:

- always take reasonable steps to keep your **Personal Security Details** and selected personal information secret and dispose of them safely. Fraudsters use various methods to get personal information, like looking through rubbish bins. You should take simple precautions, like shredding paper containing personal information before you throw it out;
- don't let anyone else use your **Personal Security Details** or selected personal information - not even someone you share a joint **Account** with;
- don't disclose your **Personal Security Details** to anyone else, not even a member of our staff;
- don't disclose any **Personal Security Details** or other sensitive personal information to us using an unsecure means of communication, such as email;
- don't write down or record your **Personal Security Details** or personal information on any documents relating to your **Account**. If you do write down or record your **Personal Security Details** or personal information, disguise this information so it can't be understood by anyone else;
- only enter your **Personal Security Details** where you're asked to do so by an online banking screen. Please also follow any other instructions that screen gives you to ensure your online banking is secure. Any instructions will reflect good security practice, taking account of developments in technology;
- take reasonable steps to avoid selecting **Personal Security Details** that may be easy to guess;
- take reasonable steps to ensure no one hears or sees your **Personal Security Details** when you use them;
- take reasonable steps to keep your **Personal Security Details** unique to the **Account** you hold with us;
- change your **Personal Security Details** immediately and tell us as soon as possible if you think that someone else knows them, or if we ask you to do so (for example, where we believe your **Account's** security may have been compromised);
- don't record your **Personal Security Details** on any software which retains it automatically (for example, a 'save password' prompt);
- if you change your mobile phone or provide it to another person to provide repairs, please take reasonable steps to ensure all **SMS** alerts and **Personal Security Details** have been properly deleted and removed from the device; and
- think carefully before you link other devices (such as tablet computers, laptops and other computers) to your mobile phone which allow you to receive **SMS** alerts on those devices, as you are also responsible for the security of those devices and taking reasonable precautions to prevent anyone accessing your confidential information on those devices.

When using our **Online Services** you must:

- ensure you are using up to date anti-virus software on the device you are using;
- ensure that you have fully logged off from our **Online Services** when you are not using it or whilst your device is unattended;
- treat emails from senders claiming to be from us with caution; and
- if you are suspicious about any emails or calls you receive, contact us as soon as possible.

13.8 To help protect your security we may restrict how you can access our **Online Services** for example the web browsers that you can use to access our **Online Services**. We will publish details of such restrictions and any changes to them on our **Website**.

## 14 Loss or misuse of Personal Security Details and unauthorised payments

14.1 If you believe your **Personal Security Details** have been misused, your **Personal Security Details** or selected personal information have become known to someone else, or your mobile phone has been lost or stolen, you must tell us as soon as possible. You must do this by:

- logging in to our **Online Services** and sending us a secure message, or
- calling us.

We'll then take immediate steps to stop your **Personal Security Details** from being misused.

14.2 You must tell us as soon as possible if you don't recognise a payment on your **Account**, and always within 13 months after the date of the payment. Otherwise, you may not be entitled to a refund.

14.3 You're not responsible if someone else uses your **Personal Security Details**:

- before you receive them,
- after you have told us about their loss, theft or unauthorised use as explained above, or
- if we failed to tell you how you must notify us of their loss, theft or unauthorised use,

unless you have acted fraudulently in which case you'll be responsible for the full amount of the payment.

14.4 We will refund the amount of the unauthorised payment. We will do this as soon as practicable, and always by the end of the next **Working Day** after we are notified of an unauthorised payment, unless we reasonably suspect fraud. We'll also refund your **Account** with any fees and interest you've been charged or you may have lost in connection with the unauthorised payment.

## 15 Your responsibility for unauthorised payments

15.1 You won't get a refund for an unauthorised payment if:

- you disclosed your **Personal Security Details** to someone else deliberately;
- you deliberately or very carelessly failed to follow any of the safeguards we tell you to follow to protect your **Account** and **Personal Security Details** (see Condition 13.5 Security and some of your key responsibilities);
- you have deliberately or very carelessly failed to tell us without delay about the loss, theft, misuse or suspected misuse of your **Personal Security Details**, or
- you acted fraudulently.

15.2 If you dispute that you've carried out a payment with your **Personal Security Details**, we expect you to co-operate with us and the police in any investigations. We can give the police any information necessary to enable them to carry out their investigation.

## 16 When we can make changes to this Agreement

16.1 We can change our **Agreement**:

- to take account of any changes in law, regulatory requirements, industry guidance or codes of practice;
- to take account of a decision by a court, ombudsman, regulator or similar body;
- to provide for the introduction of new or improved systems, methods of operation, services or facilities;
- to fix any errors, inaccuracies or ambiguities we may discover;
- to make it clearer or more favourable to you;
- to take account of any reorganisation we may conduct within the group of companies we're a member of, or to transfer our rights and obligations under this **Agreement** to another company in our group, or

PLEASE NOTE – We will need to check/verify the identity of any third party and they can't access or operate your **Account** via our **Online Services**. Any payments from your **Account** authorised by a third party must be made over the telephone and by **Electronic Transfer** to your **Nominated Account** or another account you have with us. You cannot apply to add an additional **Account** holder once a third party is registered on your **Account**.

18.3 Following registration of a third party on your **Account** you will still be able to manage your **Account** by logging in to our **Online Services**.

## 19 Cancelling or closing your Account

### Cancelling your Account

19.1 If you have a right to cancel when you open your **Account**, this will be set out in your **Account's Key Features & Summary Box Document**. If, within 14 days of first opening your **Account**, you would like to cancel your **Account**, let us know by logging in to our **Online Services** and using the self-serve facility for **Account** closures.

19.2 If you don't cancel, the **Account** will continue until you or we close the **Account**.

19.3 If you cancel your **Account** within 14 days of first opening it, we won't charge you for this.

#### Closing your Account

19.4 We may terminate your **Agreement** and close your **Account**:

- by giving you at least 90 days' notice if your Account is not for a fixed term.
- immediately if your Account is for a fixed term and you have committed a serious breach of the terms of your Account or Agreement or have repeatedly breached the terms of your Account or Agreement.
- immediately, whether or not your Account is for a fixed term, if:
  - we are required to do so by law, regulation or other rule or decision which applies to us;

  - we reasonably consider that by continuing with your **Agreement**, we may break the law, regulation, or other rule which applies to us (for example, if you've moved abroad and we reasonably consider that we may require a licence to continue to provide your **Account**).

#### What happens if someone dies

19.5 Where an **Account** is held in your sole name, we will need to receive certain documents before we can take any action. Once we receive those documents, we will pay the amount in your **Account**, together with any interest earned up to the end of the day before the date of closure of the **Account** to your personal representatives. We will send the money by **Electronic Transfer**.

19.6 Where a joint **Account** holder dies, the **Account** will remain open in the name of the remaining **Account** holder. If there is no **Account** holder who survives you we'll:

#### What happens after closure or cancellation

19.7 We'll pay any money in your **Account** and any interest you've earned (less any pending payments and fees) into your **Nominated Account**, to another account you have with us if the **Specific Conditions** allow or if you have a joint **Account**, to the **Nominated Account** of the **Account** holder who requested closure or cancellation. The terms of our **Agreement** will continue until any money you owe us has been paid.

#### Termination of Payment Services Agreement

19.8 The **Payment Services Agreement** will end automatically when you or we close your **Account** or you may bring the **Payment Services Agreement** to an end separately pursuant to Condition 16 or by giving us 1 month's notice and telling us that you wish to end the **Payment Services Agreement**. If you bring the **Payment Services Agreement** to an end and do not at the same time close your **Account** you will no longer be permitted to make payments by **Electronic Transfer** into or out of your **Account**), we will then contact you to agree with you alternative arrangements for the operation of payments out of your **Account**.

## 20 Statements

20.1 Statements relating to your **Account** are provided to you online by logging in to our **Online Services**. You should regularly check your statements and let us know as soon as you can if you think they're wrong.

20.2 Your statement(s) will include the following information on any payment:

- details of the payments into and out of the **Account** including a reference so you can identify the payment;
- the amount of the payment;
- any charges (and where applicable, a breakdown of such charges) applied to your **Account** in relation to the payment, and
- in the case of a payment out of the **Account**, the date the funds were taken from the **Account**, or in the case of a payment into the **Account**, the date of payment of those funds into the **Account**.

20.3 We will provide you with a statement monthly if during the previous month a payment has been made to or from your **Account** (excluding interest payments).

20.4 We will email you or send you an **SMS** to let you know a **statement** is available to view online. You should print or download a statement each month for your future reference. Subject to Condition 6.4, this information will be available to you 24 months after closure of your **Account** by logging in to our **Online Services**.

20.5 We may charge you our reasonable costs for providing a duplicate of a statement that we have previously provided.

## 21 Tax

We will deduct tax and costs from the interest we pay to you when required to by applicable laws or regulation. Depending on your circumstances, other taxes or costs may exist that aren't paid through us or charged by us. It is your responsibility to ensure that this tax is paid. If you're unsure about your tax position you can get professional tax advice, or find more information on the HMRC website.

## 22 Transferring your Account

- 22.1 We may transfer your **Account** to another company or firm to operate your **Account**, and in doing so, transfer our rights and obligations under this **Agreement** to them. If we decide to do this, we'll give you 30 days' written notice first, and in this notice we'll remind you of your right to close your **Account** if you don't like the new company or firm, or if you don't want your **Account** to be transferred to them.
- 22.2 We'll only transfer our rights and obligations under this **Agreement** to another company or firm if:
- they are authorised by the Prudential Regulation Authority and regulated by the Financial Conduct Authority and the Prudential Regulation Authority (or any other regulatory body or bodies which replace them),
  - they agree to exercise those rights or perform those obligations in accordance with a statement of policy which we approve before the transfer, and
  - we reasonably think that policy is no less favorable to you than the one we were following before the transfer.
- 22.3 We may also appoint any company or firm, whether or not in our group, to carry out any of our roles or duties under this **Agreement**, and we may provide information to them about you and your **Account**. But before we appoint them, we'll make sure that they're competent to carry out their proposed functions and responsibilities.
- This includes appointing an agent to recover money you might owe us, or transferring our rights to a third party for any money owed by you to us.
- 22.4 You can't transfer any of your rights or obligations of your **Account** to someone else. This means that you cannot, for example, use the money in your **Account** as security for money you borrow from someone else.

## 23 Notices and contacting you about your Account

- 23.1 We tell you in this **Agreement** if there is a specific way you need to contact us about something. For example, please see Condition 9 (Taking money out of your **Account**) which tells you how you can make a withdrawal. Any other notices you want to give us, should be given to us by calling us, emailing us or logging in to our **Online Services** and sending us a secure message. PLEASE NOTE - we do not accept requests for **Account** or personal detail changes via secure message or email.
- 23.2 We may contact you:
- by email;
  - **SMS**; or
  - by secure message on our **Online Services**.
- If you have a joint **Account** then we may send a notice to you both at the email address we have for the **Account** holder who first applied for the **Account**. If your relationship with the other **Account** holder has broken down, we will, if you ask us to, send such information to each of you at different email addresses.
- Please note - You will be responsible for any charges you incur as a result of receiving SMS alerts including whilst abroad.
- Please remember that communications may contain confidential information and if anyone else has access to your email inbox they may be able to see this.
- We will use whichever of these contact methods we think is most appropriate if we need to contact you about fraud or security threats relating to your **Account**.
- 23.3 You must make sure the contact details you give us are accurate and kept up to date.
- You must tell us if your address, email or mobile phone number changes, by logging in to our **Online Services**.
- If you don't, you may not get important **Account** information from us, including information about changes to this **Agreement**, fees, interest rates, and so on.
- BUT PLEASE NOTE - in this case, these changes or new fees, interest rates and so on will still apply to you.

## 24 Data Protection and use of your personal information for Electronic Transfers

We may obtain, access, retain and process your personal data for the purposes of making an **Electronic Transfer** to you or receiving an **Electronic Transfer** from you.

We will collect and use your personal data in accordance with our privacy policy, which can be found on our **Website**.

## 25 Circumstances outside our control

We won't be responsible to you for any money you lose as a result of circumstances which are outside our reasonable control, including those which arise from us complying with legal requirements. Also, if we're unable to provide services to you because of circumstances outside our control, we won't be responsible for any money you lose.

## 26 Call recording and monitoring

We may record and monitor telephone calls:

- to make sure that we carry out your instructions accurately,
- to maintain the quality of our service and for security and training purposes,
- for regulatory purposes,
- as evidence in any dispute relating to our services, and
- to help us monitor and improve the quality of our service.

## 27 Enforcement costs

We can charge your **Account** with our reasonable costs of enforcing our **Agreement**. These costs can include costs in tracing you, collection agency costs and legal costs. You must pay these costs to us immediately.

## 28 Law and Jurisdiction

- 28.1 The official language of this Agreement is the English language only, which language shall be determinative in all respects.
- 28.2 All communications, data, documentation, and disclosures of information between you and us under this Agreement will be in English and the English language will be the governing language in the performance of this Agreement.
- 28.3 If there is any translation of this Agreement or any other communications, data, documentation, and disclosures into any language other than English this will be for reference only and without legal effect and shall not be binding on you and us nor shall such other versions be admissible in any legal proceeding, including arbitration, brought under this Agreement.
- 28.4 It is important that you carefully read and understand this Agreement before signing it. If there is any term that you do not understand please take independent legal advice or discuss it with us before signing.
- 28.5 English law will decide any legal questions about this Agreement and our dealings with you generally and the courts of England and Wales shall have exclusive jurisdiction unless you live in Scotland or Northern Ireland in which case the laws and courts of Scotland or Northern Ireland shall apply.
- 28.6 Each of the Conditions of these Savings Account Conditions operates separately. If any court or relevant authority decides that any part of these Savings Account Conditions is unlawful, the remaining parts will continue to apply to you.

## 29 When we can use money between Accounts

If any money is overdue for payment on any other account you have with us or any part of our group of companies, we may take the money you owe us out of your **Account** to pay that money. We can do this where you have **Accounts** which are held in your sole name as well as joint **Accounts** you hold with another person. Where possible, we'll give you advance notice, unless we reasonably think you may move your money to stop us. Where we take money from your **Account** for this reason, we'll tell you we have done so.

## 30 Dormant accounts

If your **Account** becomes dormant, we may participate in the unclaimed assets scheme established under the Dormant Bank and Building Society Accounts Act 2008 (as may be amended from time to time). The purpose of the scheme is to enable money in dormant **Accounts** (meaning balances in **Accounts** that have been inactive or dormant for 15 years or more) to be distributed for the benefit of the community while protecting the rights of customers to reclaim their money.

Under the scheme, we may transfer balances of dormant **Accounts** to Reclaim Fund Limited ('RFL'). RFL is a not-for-profit reclaim fund which is authorised and regulated by the Financial Conduct Authority.

If we transfer the balance of your **Account** to RFL, you'll have against RFL whatever right to payment of your balance you would've had against us as if the transfer had never happened. However, we'll remain responsible for managing all aspects of the customer relationship with you and for handling all repayment claims (which we'll do on behalf of RFL). Therefore, you should continue to contact us in the usual way if you have any queries or complaints in relation to your balance.

Both we and RFL participate in the FSCS. The transfer by us to RFL of your balance will not negatively affect any entitlement you have to compensation from the FSCS.

## **31 Bankruptcy or other legal claims**

- 31.1 If a claim is made for any of the funds in your **Account** (for example, if someone takes legal action to recover funds they believe belong to them), if we know or believe that there is a dispute involving another party about who owns or controls funds in the **Account**, or if a bankruptcy petition (or any equivalent insolvency process, including in Scotland a petition for sequestration) is presented against you, we may:
- suspend your **Account** and refuse to pay out any funds until we are satisfied that the claim is resolved or the bankruptcy petition or equivalent insolvency process has been recalled,
  - continue to rely on the current records we hold about you,
  - apply for a Court Order; or
  - take any other action we feel is necessary to protect us.
- 31.2 If we have acted reasonably, we will not be liable to you for taking any of those steps.

## **32 Third party claims**

- 32.1 We will only recognise named account holders as the owners of an **Account**. We will not recognise any trust or claim to the **Account** by unnamed persons unless the law requires us to do so.
